Champs

Entries due Feb 1st so many decisions won't be able to be made until after we see numbers

- Hotel information - Hampton Inn Block of rooms saved under Putnam County Swim Team, we will be live streaming the meet in the conference room so parents can watch in there if they want to,
- Our Conversation with BGSU. Swimmers will be sitting in the stands when they are not swimming.
- Once we know numbers of swimmers, we will know number of volunteers.
- Teams will leave after their session so that the pool can be cleaned for the next session.
- League meeting discussion, teams were in agreement on how it should run.
- Where we are at this point
- 8 and under plan, one parent can come. Will have here at PCYMCA Saturday 2/27/21
- How champs in BG will potentially run
- What do we need to prep ahead – how will we decide on volunteers etc.

- What will we need day of
- T shirts sales online orders, will have available at PCYMCA for 8 and under, and possibly an outdoor truck set up outside the BG swim complex.
- Looking into WOSN live streaming.
- May have fees raised for champs per swimmer because we have to rent BG for a longer period of time.
- Looking into donations for snacks, water, pop, for hospitality room for coaches
- Timer volunteers will have to have a name given ahead of time, and only one timer per session, no switching
- Megan working on officials schedule
- Every team will have one volunteer parent sitting with the team. Every team will have timer spots to fill.
- Ribbons could be done in the room where bull pen used to be since we will have no bull pen. More space there and closer to the printer.
- Only two coaches per team on deck.
- Instead of senior announcement, they can make their own "power point" with pictures and senior swimmer information that can be live streamed.
- Need to brainstorm for announcers. May need to look into getting several for each session.
- Amanda will work on donations for Walmart and Meijer for champs
